

ARTICLE - ST VALENTINE'S DAY

The celebration of Saint Valentine's day is not only celebrated by romantic couples, but also strong friendships and affection among our families.

Last Friday, we celebrated Saint Valentine in our school through the virtual platform Microsoft Teams. Students from preschool to high school participated in this event. Therefore, our students had the opportunity to show love and friendship toward their families, classmates, and friends. Likewise, this was a huge chance for all students to practice and foster their writing and speaking skills. A variety of activities was carried out in order to show the importance of this celebration.

First, preschool students and their teacher organized wonderful choreography, and they showed their dancing skills. Also, they created some beautiful St Valentine cards. Then, primary students recorded a video in which they defined the word "*valentine*". They designed love and friendship cards using materials such as markers, colored paper, colors, etc. Others used canva in order to create their cards.

On the other hand, Most students from 6th to 11th designed their cards using virtual platforms such as Canva, PowerPoint, Google Slides. Some of them used their physical materials. Furthermore, some of the highschool students recited amazing poems on a home-made video. Their corporal expression and excellent speaking skills showed emotion, happiness, and enthusiasm on this celebration.

Additionally, the teaching staff and coordinators were part of this lovely and sweet day. They recorded videos and mentioned quotes that express the beauty of love. All of them did in English. In fact, the religion teacher sang a song, whose name is "*Lord I need you*". The entire faculty was excited and happy to carry out these activities.

To sum up, the whole school was joyful and supportive during St Valentine's day. Students enjoyed doing the activities and they were happy. Despite the difficulties, they brought out the best in them and did a wonderful job. The most important thing is that we love and support each other, no matter the current outcomes. It was such a great day.

Thank you very much!

Happy St Valentine's day!
English Department - 2021
